The Indian demolition association was formed in 2019 by a group of forward-thinking demolition contractors in India.

About IDA

The Indian Demolition Association (IDA) is a professional organization dedicated to advancing the demolition industry in India. It provides a platform for industry professionals to share knowledge, best practices, and innovations related to demolition and recycling. The IDA focuses on promoting safety, sustainability, and the use of modern technologies in demolition projects. Additionally, it offers training programs, certification, and networking opportunities to its members, contributing to the growth and development of the demolition sector in India.

OBJECTIVES OF IDA

- To promote and protect the interests of the demolition industry in India.
- To upkeep International standards on demolition techniques.
- To promote Recycling of Construction & Demolition (C&D) waste.
- To encourage health and safety procedures.
- To aid in legislation concerning the Removal, Depositing, and Recycling of Demolition debris.

- To promote best industry practices through education, training and to publish guide books and practices.
- To provide its members with a sense of community and common purpose.
- To maintain contacts with similar organizations around the world.
- To serve as a voice to advocate rights, privileges and benefits for its members.

DEMTECH 2024: Pioneering the Future of Demolition in India

In response to the dynamic and evolving needs of the demolition industry in India, the Indian Demolition Association (IDA) is proud to announce DEMTECH 2024. This premier event is set to be a landmark gathering for demolition professionals, industry experts, and stakeholders from around the world. Scheduled to take place over four days, DEMTECH 2024 will feature a four-day expo, including one-day conference, offering an unparalleled platform for showcasing innovations, sharing knowledge, and forging new collaborations.

Highlights of the Expo

The four-day event will be the focal point of DEMTECH 2024, A diverse array of exhibitors, offering an extensive showcase of the newest equipment's, machinery, tools, and services available in the demolition and recycling industry.

Exclusive Demolition & Recycling Conference

Date: 12.12.24 (Thursday)

The one-day conference will bring together eminent leaders and industry experts to discuss the future of demolition in India. Key features of the conference include:

- ❖ **Keynote Speeches:** Renowned speakers will deliver keynote addresses, offering insights into the latest trends, challenges, and opportunities in the demolition industry.
- ❖ Renowned speakers from around the globe will address a variety of topics, including:
 - Demolition business opportunities in India
 - The future of recycling and remediation
 - Construction industry development from today to 2025
 - Presentations on landmark demolition and recycling projects
 - Product presentations by sponsors
- ❖ Panel Discussions.
